PROJECT LIST
In this Project List you’ll find a wide range of structures built across the UK.

Prefer a 3D view?

Call 01995 607 495 to arrange a visit to a Collinson reference site near you.

Our speciality:
Sports and Leisure Facilities.

Other sectors we operate in:
Education, Commercial, Industrial, Retail and Health.

If your business needs a bespoke space, we have the skills, experience and teams to deliver it.
Contents

Projects are listed in chronological order commencing from our first structure, constructed in 2005.

Project values shown have been calculated to reflect current market conditions.
Harris Academy Battersea
Battersea, London

Building Type: Evolution
Size: 58m x 42m x 11m minimum
Principal Contractor: Collinson
Scope of Supply: Design and build of conventional sports facility and ancillary accommodation

Internal Accommodation:
• Two court multi-use sports hall
• Four cricket lanes
• Changing facilities

Scope of Supply: Design and build of conventional sports facility and ancillary accommodation

• Viewing gallery
• Reception area
• Storage rooms
Morecambe Bay Academy
Morecambe, Lancashire

Building Type: Evolution
Size: 58m x 42m x 11m minimum
Principal Contractor: Collinson
Scope of Supply: Design and build of conventional sports facility and ancillary accommodation

Internal Accommodation:
- Two court multi-use sports hall
- Four cricket lanes
- Changing facilities
- Viewing gallery
- Reception area
- Storage rooms

Building Type: Evolution
Size: 58m x 42m x 11m minimum
Principal Contractor: Collinson
Scope of Supply: Design and build of conventional sports facility and ancillary accommodation

UNDER CONSTRUCTION
Quarry Road
Irvine, Ayrshire

Building Type: Evolution
Size: 58m x 42m x 11m minimum
Principal Contractor: Collinson
Scope of Supply: Design and build of conventional sports facility and ancillary accommodation

Internal Accommodation:
- Two court multi-use sports hall
- Four cricket lanes
- Changing facilities
- Viewing gallery
- Reception area
- Storage rooms
Wellington College
Crowthorne, Berkshire

Building Type: Evolution
Size: 58m x 42m x 11m minimum
Principal Contractor: Collinson
Scope of Supply: Design and build of conventional sports facility and ancillary accommodation

Internal Accommodation:
- Two court multi-use sports hall
- Four cricket lanes
- Changing facilities
- Viewing gallery
- Reception area
- Storage rooms
Roehampton Club
Putney, London

**Building Type:** Challenger
**Size:** 53m x 37m
**Principal Contractor:** Collinson
**Scope of Supply:** Design and build tensile facility and ancillary accommodation

**Internal Accommodation:**
- Three court tennis facility
- Storage rooms
- Plant room
- WC
- Viewing gallery
**National Indoor Arena**  
**Dublin, Ireland**

- Changing rooms
- Plant room
University of South Wales
Pontypridd, Mid Glamorgan

Building Type: Challenger
Size: 105m x 69m x 9m minimum
Principal Contractor: Kier Construction
Scope of Supply: Design, supply and installation of tensile facility

Internal Accommodation:
- Sports surface suitable for football/rugby (synthetic turf pitch)
Michael Woods Leisure Centre
Glenrothes, Fife

Building Type: Challenger
Size: 49m x 67m x 15m minimum
Principal Contractor: Collinson
Scope of Supply: Design and Build tensile facility and ancillary accommodation including civils and internal sport fit out

Internal Accommodation:
- Sports surface suitable for football (synthetic turf pitch)
- Viewing Area
- Balcony
- Storage

49m
67m
Chauncy School
Ware, Hertfordshire

Building Type: Challenger
Size: 43m x 34m x 7m minimum
Principal Contractor: Collinson
Scope of Supply: Design and build tensile facility and ancillary accommodation including civils and internal sport fit out

Internal Accommodation:
- Sports surface marked for multi-sport activity
- Changing facilities
- Eight classrooms
- Fitness suite
- Office
- Viewing balcony
- Storage
St Neots Prep School
Eversley, Hampshire

Building Type:
Challenger and Evolution

Size:
Challenger: 40m x 25m x 7m minimum
Evolution: 25m x 31m x 4 minimum

Principal Contractor:
Collinson

Scope of Supply:
Design and build tensile facility and swimming pool including, civils, ancillary accom and internal sports fit out

Internal Accommodation:
- Five court multi-sport facility
- Swimming pool
- Spectator balcony
- Four shower and changing facilities
- Reception
- Storage
Clickimin Leisure Complex
Lerwick, Shetland Isles

Building Type: Challenger
Size: 64m x 45m x 4m minimum
Principal Contractor: Collinson
Scope of Supply: Design and build of tensile facility and ancillary accommodation including civlils and internal sport fit out

Internal Accommodation:
• Indoor 3G pitch
• Changing and shower facilities
• Spectator viewing area
• Storage
York St John University
York, North Yorkshire

Building Type: Challenger
Size: 42m x 25m x 7m minimum
Principal Contractor: Collinson
Scope of Supply: Design and build tensile facility and partial sport fit out

Internal Accommodation:
- Five courts marked out for badminton and multi-sport activity
- Viewing balcony
- Three storage areas
Eden Boys School
Preston, Lancashire

Building Type: Challenger
Size: 34m x 22m x 7m minimum
Principal Contractor: Conlon Construction Ltd
Scope of Supply: Design, supply and installation of tensile facility including ancillary accommodation and internal sport fit out

Internal Accommodation:
- Sports flooring marked for multi-sport activity
- Reception area
- Storage
Riverside East 2
Preston, Lancashire

**Building Type:** Evolution
**Size:** 60m x 28m
**Principal Contractor:** Collinson
**Scope of Supply:** Design and build of tensile structure including civils

**Internal Accommodation:**
- Internal clear span space for storage
- Offices
Yara UK
Belfast Harbour

Building Type: Challenger
Size: 99m x 30m x 10m minimum
Principal Contractor: McGaffin Contracts
Scope of Supply: Design, supply and installation of tensile facility

Internal Accommodation:
- Internal clear span space for storage and bagging of fertiliser
Mounts Bay Academy
Penzance, Cornwall

Internal Accommodation:
- Four courts marked for multi-sport incorporating two full size tennis courts
- Storage areas
Surf Snowdonia
Dolgarrog, North Wales

Building Type: Challenger
Size: 30m x 12m x 5m minimum
Principal Contractor: WCP Associates
Scope of Supply: Design, supply and installation of tensile structure with glazed curtain walling

Internal Accommodation:
- Specialist rubber flooring for “on land” training
- Divisional nets for training multiple groups
Riverside East
Preston, Lancashire

Building Type: Challenger
Size: 51m x 30m
Principal Contractor: Collinson
Scope of Supply: Design and build of tensile structure including civils

Internal Accommodation:
• Internal clear span space for storage
Strathallan School
Perth, Perthshire

Building Type: Challenger
Size: 64m x 42m x 7m minimum
Principal Contractor: Collinson
Scope of Supply: Design and build of tensile facility including civils and internal fit out of sports equipment

Internal Accommodation:
- Three full size tennis courts
- Storage area
Wakefield Recycling Centre

Wakefield, West Yorkshire

Building Type: Challenger
Size: 16m x 55m x 6m minimum
Principal Contractor: Kier Construction
Scope of Supply: Design, supply and installation of open sided tensile structure

Internal Accommodation:
- Drive through structure with open front side for ease of disposal into skips
### South Kirkby Recycling Centre

**South Kirkby, West Yorkshire**

**Internal Accommodation:**
- Drive through structure with open front side for ease of disposal into skips
Glasshoughton Recycling Centre
Castleford, West Yorkshire

Building Type: Challenger
Size: 20m x 45m x 6m minimum
Principal Contractor: Kier Construction
Scope of Supply: Design, supply and installation of open sided tensile structure

Internal Accommodation:
- Drive through structure with open side for ease of disposal into sheltered skips
Colchester United FC
Colchester, Essex

Building Type: Challenger
Size: 61m x 40m x 6m minimum
Principal Contractor: APH Ltd
Scope of Supply: Design, supply and installation of tensile facility

Internal Accommodation:
- Full size 3G synthetic pitch
Warrington Wolves
Warrington, Cheshire

Building Type: Challenger  
Size: 46m x 30m x 7m minimum  
Principal Contractor: JLG Group  
Scope of Supply: Design, supply and installation of tensile facility

Internal Accommodation:  
- 3G synthetic pitch
## Central Lancaster High School

**Lancaster, Lancashire**

### Building Type:
- Challenger+

### Size:
- 38m x 18m x 8m minimum

### Principal Contractor:
- Collinson

### Scope of Supply:
- Design and build of insulated tensile facility including civils and full internal fit out of sporting equipment and surfaces

### Internal Accommodation:
- Four courts marked for multi-sport activity
- Reception area
- Storage area

### Diagrams:
- Ground floor layout plan
- Detailed section views
Gordano School
Portishead, Bristol

Building Type: Evolution
Size: 36m x 34m x 7m minimum
Principal Contractor: Collinson
Scope of Supply: Design and build of conventional sports facility and ancillary accommodation including full internal fit out of sports equipment

Internal Accommodation:
- Four court multi-sport facility
- Fitness suite
- Reception area
- Changing and shower facilities
- Two storage areas
The Weir 3G Indoor Hall
Largs, Ayrshire

Building Type: Challenger
Size: 67m x 50m x 4m minimum
Principal Contractor: Collinson
Scope of Supply: Design and build tensile facility including civils and internal fit out of sporting equipment

Internal Accommodation:
• Spectator viewing area
• Toilet facilities
• Two storage rooms
Freman College
Buntingford, Hertfordshire

Building Type: Challenger
Size: 34m x 36m x 8m minimum
Principal Contractor: Collinson
Scope of Supply: Design and build of tensile structure and ancillary accommodation including civils and full internal fit out of sporting equipment

Internal Accommodation:
- Four court multi-sport facility
- Two PE theory classes
- Two ICT suites
- Fitness suite
- Spectator area
- Shower and changing facilities
- Staff office
- Storage area
Wyvern Academy
Darlington, County Durham

Building Type: Challenger
Size: 35m x 24m x 8m minimum
Principal Contractor: Collinson
Scope of Supply: Design and build of tensile structure and ancillary accommodation including civils and internal sport fit out

Internal Accommodation:
- Four court multi-sport facility
- Changing facilities
- Viewing balcony
- Office
- Reception area
- Two storage areas

- Indoor synthetic pitch

![Building Image](image)
Aysgarth School
Bedale, Yorkshire

Building Type: Evolution
Size: 34m x 22m x 6m minimum
Principal Contractor: Collinson
Scope of Supply: Design and build of conventional sports facility and ancillary accommodation including civils and internal sports fit out

Internal Accommodation:
- Four court multi-sport facility
- Cricket nets and floor markings
- Changing, shower and toilet facilities
- Fitness suite
- Elevated viewing balcony
- Office
- Reception area
- Storage
Icopal
Stretford, Manchester

Building Type: Challenger
Size: 60m x 40m x 8m minimum
Principal Contractor: Collinson
Scope of Supply: Design, supply and installation of tensile structure

Internal Accommodation:
• Clear span space to accommodate high rack shelving
• Canopy for dry, external storage area
University of Kent
Canterbury, Kent

Building Type: Challenger
Size: 52m x 35m x 7m minimum
Principal Contractor: Collinson
Scope of Supply: Design and build of tensile structure with glazed curtain walling including civils and full internal sporting fit out

Internal Accommodation:
- Three courts marked for tennis and netball
- Glazed curtain walling opening out onto external courts
University of Chichester
Chichester, West Sussex
